

DC LESSOWAY

WRITER / DIRECTOR

STATEMENT

A mentor once said you have to write a million words before you truly begin your writing life. I am well over my million words with much life experience that I've put into the scripts I write and films I make.

SERIES SCRIPTS

AGENDA 2030

Writer/Co-Creator

Twin women, a Virologist and the President of the United States seek to save the US from a killer bacteria that a secret society unleashed. A society of old spies with a goal to spread the bacteria around the world.
2 - 1 - hour scripts completed
Currently being shopped

TURN OF THE HOURGLASS

Writer/Creator

A scientist discovers Interplanetary travel, only you have to die first.
2 - 1 - hour scripts completed

CORA-DANIELLE

Script Writer/Co-Creator

An account of two women doctors wrestling with life, love, and self while enduring two contrasting eras: the present day's chaotic challenges and the regressive age for women in 1900.
1-hour pilot script completed

FEATURE-LENGTH SCRIPTS

DORI & 17TH

A father, son and daughter are hit by a drunk driver, and the father is killed. Two years later, a graphic video of the accident surfaces on the internet, and the images hurt an already fragile family.

ESCAPE TO THE FIELDS

Fifty years of a family's story through the oldest sister and youngest brother; then her cancer, his alcoholism and suicide attempt, brings to light a long-held family secret.

EVERY PORT

Three women from England, Argentina and Spain receive a copy of the same souvenir spoon. Why? Then they get the box inviting them first to Argentina then to Nepal. Who is at the end of the road?

FEATURE-LENGTH SCRIPTS

EXTEND

Single mother Maggie, a successful businesswoman, adds to her business, seeking love, fighting cancer and close to uncovering her real father..

LITTLE DISTANCE

An isolated, naïve young woman, stuck in a backward society, connects to a world-weary psychologist through a lost phone, and the battery is dying

PRAIRIE SOVEREIGN

A trunk of treasures unearthed on an old prairie farm will change the history of Russia's last Tsar, his surviving family, and attract those willing to kill to get these treasures.

REBORN

Destitute Alex Green, 92, has a choice. Live out the time he has left or be sent back into his ten-year-old body and relive his life, but with 92 years of experience and knowledge of the future.

WALK IT OFF

A wealthy literary writer's wife and child are killed. Shattered, he hits the road, lives as a hobo, trying to escape the pain.

Official Selection: 2020 American Screenwriters Conference
