

(1 woman - 2 men)

Ted and Bud stand in a field over a dead body.

TED
All things considered, I've been in worse.

BUD
You kiddn'?

TED
An excellent example of what sorts the men from the boys, the wheat from the sheaf, you got it?

BUD
Sure. But what'd we do here?

TED
We go over da story then decide.

BUD
I arrived at da' warehouse over there. Expecting him (pointing at body), I hear this pop, I look out, a car is takn' off and here's Abby lip lockin' the ground.

TED
What kind of car?

BUD
Blue was all I got. It was turnin' out of sight as I looked 'round.

TED
Blue ain't gonna do any help. So, we call Mikkie.

BUD
I hate her.

TED
Who does, but she gets it done. You didn't touch nothin' here right?

BUD
Nothin'.

TED
Good. Here's ya story you follow to
a cross

BUD
Tee.

TED
If ya don't follow, a cross gonna be
a marking a place for ya, got it?

BUD
Clearly.

A car pulls up.

TED
Oh fuck.

BUD
What? Who's that?

TED
You be cool. Let me answer.

BUD
Is that Charlene the crusher?

TED
Listen, ya don't talk. If she heard
that from ya you'd also be frenching
the dirt.

BUD
Okay, okay.

Charlene walks up

CHARLENE
What'd the fuck went down here?

TED
We think a hit Charlene.

CHARLENE
Is that, Abby?

TED
Yeah, he was here ta meet Bud and...

CHARLENE
(waves off Ted and
takes a stop closer
at Bud)
You Bud from the east side?

BUD
I am.

CHARLENE
What was the purpose of the meeting?

BUD
I got a call from Abby, he said to
meet him here to discuss Church.

CHARLENE
You know about Church?

BUD
Since the beginning yeah.

TED
You know about Church?!

CHARLENE
(to Ted)
I'll deal okay?

TED
Yeah.

CHARLENE
What were you to discuss.

BUD
Not clear. He just said to meet
here.

CHARLENE
That it?

BUD
Yeah. Then this happened and I
called Ted and he suggested we call
Mikkie.

CHARLENE
Yeah, good call. Good call.

TED
Then I felt that we...

CHARLENE
(to Bud)
So you know about March 15th?

BUD
Yeah.

TED
March 15th? What's that?

CHARLENE
(to Bud)
Okay, come to my place now and we'll
discuss profit sharing.

BUD
Really?

TED
Really?!

CHARLENE
(to Ted)
Wait for Mikkie.

TED
But what should...

CHARLENE
(interrupting))
Stay. Come Bud, we got lots to plan

Charlene and Bud leave.

TED
Fuck.
